

MC/President's Report for December Monthly Meeting

This is the last report for 2019 & what an interesting, full year we've had here at the NFHS. Next year promises more of the same.

We will hit the deck running in January 2020 as we begin our **Genealogy Courses** on some Saturday mornings – check the website, Facebook & the front desk for details & put your name down if you would like to attend any of them. Our first monthly excursion will be on January 31 to see the **Bligh Exhibition** at the Maritime Museum. We also have our **NSW Seniors' Festival Open Day** on February 22 – last year this was very popular – I'll be asking you for some help with that fairly soon.

We also begin trialling a new format for **Monthly Meetings** which will bring us further in line with Constitutional Guidelines. From our February 4 meeting we will limit the number of business style meetings so that most of our general meetings will not have a business section after our coffee break. All the reports you see now will still be available to you on the website in the Members' Section & pinned to the front noticeboard for you to read.

Another busy & exciting year coming up.

Wishing you the happiest of Christmases & all good things for the New Year!!

Mel Woodford
